Riverlakes Golf Course & Tavern Code of Conduct

On joining the Riverlakes Golf Club members and their guests agree to act in a manner that is of an acceptable behaviour and conduct both on and off the Golf Course including the Riverlakes Tavern. This includes Competitions, Social play and social events in the Tavern/Clubhouse.

The following Code of Conduct applies to all members, staff and guests of the Riverlakes Golf Course and Tavern.

Riverlakes Golf Club & Tavern will not tolerate or condone any of the following:

- Any conduct considered threatening, abusive or harassment
- Any member/visitor who acts in a way that brings discredit to Riverlakes Golf Club whether it be in competition play, social play, play at another club or while using the Riverlakes Tavern/Clubhouse.
- Any member that is abusive or aggressive towards an employee of Riverlakes Golf Club & Tavern who is trying to undertake their job.
- Intoxication
- All members/visitors must also comply with the Liquor Licencing Act 1992

Management reserves the right to suspend or cancel ones membership for breach of the above conditions.

IDEALS OF RIVERLAKES MEMBERSHIP

The enjoyment of golf depends a great deal on the cooperation, consideration, and courtesy extended by fellow competitors.

What is true of the game also applies to club membership. The spirit and image of a Golf Club is projected by the way fellow members show respect, courtesy and consideration for one another, the game of golf, the course and tavern facilities.

This courtesy and consideration should extend to the choice of dress and the standard of conduct on the course and afterwards in socialising with your fellow competitors.

The standards of Riverlakes Golf Club may well be judged by the manners and behaviour of its members.

VISITORS

Visitors are welcome to play in our competitions and are eligible for pins but are ineligible for Jackpots, Honour Board and Special Events.

CLUB NOTICE BOARD

Members should refer to the golf club website or read the Notice Board inside and outside the Pro Shop before starting play to take note of any relevant notices.

It is the players responsibility to make themselves aware of the conditions of play for each event.

HANDICAPS

Players should check their handicap before commencing play in any competition.

It is a condition of play that all members will return a score card at the end of each round even if the round is incomplete or the player has been disqualified.

MINIMUM DRESS REQUIREMENTS

MEN

Long pants, dress shorts or cargo shorts, collared shirt of full button shirt. Anklet, sport, or full length sport socks. Golf shoes with soft spikes.

LADIES

Tailored shorts, skirts or trousers and shirts with a collar or sleeves. Anklet, sport of full length socks. Golf shoes with soft spikes.

UNACCEPTABLE

Denim jeans/shorts, beach attire, track suits, football clothes, drawstring shorts, singlet or bare tops, open shoes or sandals.

CAPTAIN OF MATCH

The lowest handicapped senior golfer is the Captain of each group and is responsible for seeing that the rules are correctly followed, pace of play and all points of golf etiquette are observed.

The captain is responsible for ensuring that the group keeps its place in the field. This is best judged by the distance between themselves and the group ahead. In the event of slow play, all members can be penalised two strokes each.

TIME SHEETS

Online booking timesheets are available from 2:00pm 15 days in advance or 12:00pm through the Kiosk in the Tavern. Bookings can be made by logging on to the Riverlakes website (www.riverlakes.com.au).

Timesheet bookings can be made in person or by a member acting on behalf of a member.

Members of a recognised golf club can nominate to play in regular competitions but may be asked to produce evidence of their membership and their current handicap.

A member who is nominated for an event and cannot play must notify the starter as early as possible. Repeated failure to do this will result in action with temporary suspension from competition play being a possible outcome.

PACE OF PLAY

Rule 5.6b Prompt Pace of Play

A round of golf is meant to be played at a prompt pace.

Each player should recognise that his or her pace of play is likely to affect how long it will take other players to play their rounds, including both of the player's own group and those in following groups.

Players are encouraged to allow faster groups to play through.

- (1) **Pace of Play Recommendations.** The player should play at a prompt pace throughout the round, including the time taken to;
- Prepare for and make each stroke,
 - Move from one place to another between strokes, and
 - Move to the next teeing area after completing a hole.

A player should prepare in advance for the next stroke and be ready to play when it is his or her turn.

When it is the players turn to play:

- It is recommended that the player make the stroke in no more than 40 seconds after he or she is (or should be) able to play without interference or distraction, and
 - The player should usually be able to play more quickly than that and is encouraged to do so.
- (2) **Playing Out of Turn to Help Pace of Play.** Depending on the form of play, there are times when players may play out of turn to help with the pace of play.
- In match play, the players may agree that one of them will play out of turn to save time (see Rule 6.4a)
 - In stroke play, players may play "ready golf" in a safe and responsible way (see Rule 6.4b Exception).
 -

Riverlakes Pace of Play Standards

Riverlakes Golf Club expects golfers to complete their competition rounds within the following standards;

- 4 hours 10 minutes – Stableford, Par, 4Ball events
- 4 hours 30 minutes – Single Stroke, Monthly Medal, Championship events

Adjustments to these times may be made at any time during the year to accommodate special conditions or circumstances.

SCORECARDS

All scorecards, even if incomplete, must be returned and placed in the trays provided, within 15 minutes of completing the round. Players failing to return cards violate the Golf Australia handicapping system.

NB It is the players responsibility to ensure that the card is correctly filled in, including stroke, nett, and stableford scores by hole and totals recorded, signed by the marker and countersigned by the player. This result is then confirmed with results of the card scanning process of adjustments made as required.

COUNTBACK

18 Hole Competition

The best score for the last nine holes shall be used. If there is still a tie, the last six holes shall be used and, if still tied, the last three holes shall be used. If a tie still persists then hole by hole scores shall be taken from the 18th hole.

9 Hole Competition

Last 6 holes, last 3, hole by hole from 9th.

27, 36, 54, 72 Hole Competitions

The last 18 holes shall be used and if still tied, the countback as in 18 holes shall be used.
